Kellstadt Marketing Group is proud to welcome DePaul alumnus **James M. Jenness**, current Chairman of the Board and former CEO of the Kellogg's Co., as keynote speaker at NextGen.

Mr. Jenness will call on his 30-plus years of experience as a business leader to elaborate on the key skills and traits that will help set next generation marketing leaders apart.

The NEXTGEN Mission: KMG's 2010 Symposium is a forward-thinking exploration of the topics that will challenge marketing leadership well into the next decade. NextGen content seeks to provide real-time perspectives on the challenges marketers now face, given the new realities of an uncertain, evolving business environment.
