WAVE = Web, Video, Audio Excellence...all things that you do for your work. Now get credit for the fantastic work that you do. In the WAVE competition, your work is judged based upon the purpose and usage that you describe when you enter...not on how it stacks up against someone else's work. Complete the entry form that is on-line at www.mcaimadison.org; where you'll also find all the categories and rules. Enter today.
